Frank Becker (41) has been appointed to the position of Managing Director in charge of the Institutional Clients division at MEAG as of 1 November 2019.

Andree Moschner, MEAG CEO: "Frank Becker is extremely customer oriented and has a long and successful track record in sales. With him we will continue to grow our success with customers and sales partners."

Frank Becker was previously Managing Director of State Street Global Advisors GmbH, where he was responsible for their business with institutional clients and intermediaries. Prior to that he held management positions in the fields of sales and product management at the companies Pioneer, Activest and allfonds BKG.

MEAG manages the assets of Munich Re and ERGO. It has representations in Europe, Asia and North America and also offers its extensive know-how to institutional investors and private clients from outside the company group. MEAG currently manages assets to the value of €270 billion, 12 billion of which for institutional clients in Europe.
